

CHARTERS TRIPLE SSS NETBALL LEAGUE, ASCOT

Report 2025/26

Having such a wet winter caused havoc with our fixtures, although Mondays suffered the least so juniors and divs 3, 4 & 5 did manage to get finished at the appointed time. Divs 1 & 2 had to use two rain dates, and Over 40's suffered the worst and the last few weeks of the schedule had to be redone with some teams playing twice in one night just to get the matches played.

Well done to the teams who were winners and runners up in their respective division's.

Div 1 winners: Wokingham. Runners up: Windsor Gold.

Div 2 winners Swarm. Runners up: Lighwater Lions

Div 3 winners: Windsor Wildfires. Runners up: Windsor Arrows

Div 4 winners: Cardinal Hooks. Runners up Marist Nets

Div 5 winners: St Marys. Runners up: Bracknell Flames

Over 40's winners: Falcons. Runners up: Windsor Diamonds

We had a very successful end of season rally in April for all the junior teams who took part in our junior league, and this was followed by league presentations.

Div 1 (U14) winners: Windsor Swans. Runners up: St Marys

Div 2 (U13) winners: St Marys. Runners up: Charters Jades

Div 3 (U12) winners: Diamonds Academy. Runners up: Charters Crystals

The League remains committed to long term umpire development with our umpiring programme, mentoring C awards and Into Officiating. This ongoing investment helps ensure the sustainability and quality of officiating across the league.

A Game Management Workshop was held in May and that focused on providing officials with the knowledge and confidence to manage game situations effectively and consistently.

Summer League is currently taking place; May – July, and then we look forward to the new 2026-27 season from September 2026.

June 2026.
