

CHARTERS TRIPLE SSS NETBALL LEAGUE, ASCOT

Report

This season we had 55 teams taking part across three nights – Monday, Tuesday and Thursday, and 24 junior teams over 3 divisions on a Monday. Well done to the teams who were winners and runners up in their respective division's.

Div 1 winners: Wokingham. Runners up: Windsor Gold.

Div 2 winners Bracknell Flames Embers. Runners up: Finch

Div 3 winners: Windsor Bows. Runners up: St Marys

Div 4 winners: Windsor Canons. Runners up Swarm

Div 5 winners: Windsor Tornadoes. Runners up: Cardinal Hooks

The Over 40's division is growing slowly and recently they had a fun End of Season versatile rally which everyone enjoyed and there was a lot of laughter.

Over 40's winners: Falcons. Runners up: Windsor

We had a very successful end of season rally at the end of April for all the junior teams who took part in our league, and this was followed by league presentations.

Div 1 (U14) winners: St Marys. Runners up: Magnet NC

Div 2 (U13) winners: St Marys. Runners up: Magnet NC

Div 3 (U12) winners: Diamonds Academy. Runners up: Charters Jades

Even though it seemed quite a wet winter, we did manage to get all games played by the end of the season and I think only used one rain date on a Thursday and one on a Monday.

The umpire mentoring programme has gone well for both C grade on Thursdays and Into officiating on Mondays with quite a few passes last season. Clare Van Spall and her team of mentors are doing a great job getting these umpires through their qualification, along with the support of Mary Stanley who comes along to assess them.

Summer League is currently taking place; May – July, and then we look forward to the new 2025-26 season from September 2025.

May 2025.
